Dear Meeting House User,

As I am sure you appreciate, we do our best to keep Watford Quaker Meeting House hire charges as low as possible. They were last raised over two years ago in January 2023.

However, recently Meeting House energy and running costs have increased considerably and we regret that we now find it necessary to raise hire charges again. I attach a list of the new charges (along with a 2 hour session instead of 3) which will begin on July 1st '25.

We are sorry this is necessary. We thank you for using the Meeting House in the past and look forward to welcoming you in the future.

Kind regards

Chris Pettit
Treasurer
